ATTACHMENT B

Items to be searched for and seized pursuant to the search warrant:

1. The Device described in Attachment A, and all records thereon that relate to violations of Title 18, United States Code, Section 242 by SDPD Officer Jeffery Jon Rahn from July 1, 2017, to the present, including:
 - a. call logs, text messages, instant messages, contact/address lists; e-mails, social media messaging (i.e. Facebook messenger), messages sent o,r received from communication applications or software programs such as WhatsApp.
 - b. saved audio or video clips from communication applications or software programs (i.e. Facebook messenger, WhatsApp)
 - c. communications and information relative to law enforcement actions, interactions with subjects, interactions with confidential informants, and interactions with other law enforcement personnel;

2. Evidence of user attribution showing who used or owned the Device at the time the things described in this warrant were created, edited, or deleted, such as logs, phonebooks, saved usernames and passwords, documents, and browsing history;
3. Records evidencing the use of the Internet Protocol address, including:
 - a. records of Internet Protocol addresses used;
 - b. records of internet activity, including firewall logs, caches, browser history and cookies, "bookmarked" or "favorite" web pages, search terms that the user entered into any Internet search engine, and records of user-typed web addresses.

As used above, the terms "records" and "information" include all of the foregoing items of evidence in whatever form and by whatever means they may have been created or stored, including any form of computer or electronic storage (such as flash memory or other media that can store data) and any photographic form.
4. This warrant authorizes a review of electronic storage media and electronically stored information seized or copied pursuant to this warrant in order to locate evidence, fruits, and instrumentalities described in this warrant. The review of this electronic data may be conducted by any government personnel assisting in the investigation, who may include, in addition to law enforcement officers and agents, attorneys for the government, attorney support staff, and technical experts. Pursuant to this warrant, the FBI may deliver a complete copy of the seized or copied electronic data to the custody and control of attorneys for the government and their support staff for their independent review.
